Report on Online Social awareness program

Date of event: 02 Jan 2021

Name of the Event: Social awareness programme

Venue: zoom platform(Online Mode)

No. of Participants: Students- 45

St rocks College of Commerce and science running the Department of National Service Scheme (NSS) has conducted an online social awareness programme on 2nd January 2021.

students have attended an online awareness Online Social awareness program staff has been educating rural people about the importance and urgency of social distancing and demonstrating hygiene practices such as handwashing and wearing masks. Our staff prepared a natural sanitizer using local ingredients and with training, most families are making this at home

It was identified that children in *some of the students* were not attending online classes when schools remained closed due to the pandemic, including disinterest from parents. Students and staff created an awareness and outreach programme, along with the school management. They met each family individually and in groups to understand their challenges and provide solutions for continued education. This has made a positive change in their minds, with many children returning to classes . organised by University of Mumbai . This day is celebrated to commemorate the adoption of the constitution of India .A webinar on Samvidhan was programmed under the ministry of rural development .

A Report on collection of plastic waste from college students

Date of the Event: 17- Nov-2022

Name of the Event: _collection of plastic waste

Venue: College Hall

No. of Participants: 20

Objectives:

To know about Plastic has a lot of issues.

To know about It pollutes the environment, its creation eats up some of our finite resources, and its whole creation process releases greenhouse gasses.

To know about plastic production releases hundreds of millions of metric tons of these gasses. Unfortunately, this number has been rising sharply in the past decade.

Collecting plastic and recycling them helps mitigate the damage and loss caused by the use of fossil fuels and the release of greenhouse gas by lowering the market demand for new fossil fuels to be burned in production of new plastic.

The student volunteers of ST. ROCK'S DEGREE COLLEGE Participated in collection of plastic waste organized by NSS.

The students from other colleges took part in this activity. It starts from 9:00 am to 12:00 pm.

20 students were made aware of the collection of plastic waste.

Report on Poster making competition held on 3rd Feb 2023

Date of the Event: 3-02-2023

Name of the event: Poster making competition

Venue: St. Rock's college of Commerce and Science

No. of Participants: 65

Everyone these days is hooked on his/her mobile phone. While we may dismiss this as a common behavior in the current times, the truth is that it has deep behavioral and social impacts. Mobile addiction is a real problem and a cause of great concern. It impacts our health, relationships as well as work. People suffering from mobile addiction suffer from nomophobia which is the fear of being without or unable to use your mobile phone for some reason or the other.

To create awareness among students about mobile addiction, Poster making competition was held on 23rd Aug. 2019, students presented their posters on "Addiction of Mobile Phone". 65 Students of DLLE participated in Competition. Winners of the competition awarded by Principal madam Mrs. Nirja Sharan.

A Report on Practical session on Nasha- Mukti

Date of the Event: 24- Jan-2023

Name of the Event: Practical session on Nasha Mukti

Venue: College Hall

No. of Participants: 140

Objectives:

It aims to cut off the supply of drugs by catching those bringing them in and stopping everyone from making or selling them.

It offers support to those who are already hooked on drugs, through counseling, rehab centers, and medication.

It wants everyone to know how bad drugs are, how they hurt your health and life, and why it's important to stay away from them.

They want to build a society where people don't feel pressured to take drugs and where it's easy to get help if you need it. This means involving families, communities, and even religious leaders.

They especially focus on protecting young people and people in difficult situations, who are more likely to get caught up in drugs.

The student volunteers of ST. ROCK'S DEGREE COLLEGE Participated in a session on Nasha Mukti iorganized by NSS.

The lecture was very well received by the students and they actively participated in the Brain Storming session wherein their deep interest in the lecture was clearly exhibited. The teaching faculty and the administrative team together worked in coordination for successfully conduction of the programme
