REPORT ON ONE DAY SEMINAR
“Competitive Exam VS Professional Degree”
ON
6th August, 2019

St. Rock's College of Commerce & Science in association with Agnel College organized a one day Seminar on “Competitive Exam v/s Professional Degree” on 6th August, 2019 in room no.403. The programme started at 10:00 A.M. with the welcome address by Dept. of B.Sc I.T. The dignitary on dias was Ms. Amita Tambe from Agnel School of Law. The Seminar was attended by Students of Class T.Y.BMS, T.Y.Bsc I.T.

Competitive Exams: These exams are typically taken to assess the knowledge, skills, and aptitude of candidates for various purposes such as admission to prestigious institutions, scholarships, government job, recruitment, or other competitive programs.

Professional Degrees: Pursuing a professional degree is a structured educational pathway designed to equip individuals with the necessary knowledge and skills required for a specific profession or career.

Speaker explained the difference between all the above-mentioned topics in detail. Speaker also mentioned that the choice between a competition exam and a professional course depends on individual preferences, career goals, and personal circumstances. There is no definitive answer as to which option is universally "best" or "easy" as it varies from person to person.

Students were very much interested in seminar. Seminar was very informative & beneficial for the students.
