

Criterion 1 – Curricular Aspects

- Shri Hari Educational Trusts, St. Rock's Degree College of Commerce & Science, affiliated to the University of Mumbai, is a Commerce and Self Financing Institute that strictly follows the curriculum designed by the University.
- The institute prepares an academic calendar at the institute level at the beginning of the academic year, following the guidelines provided by the University of Mumbai. This calendar helps the faculty members to ensure timely completion of the semester's syllabus.
- Each department prepares the Time Table & Teaching Plan at the beginning of the term. Additionally, all faculties are required to submit a Syllabus Completion Report before the exams.
- The college provides a range of services such as Online & Offline Lectures, Important Notes Delivery, Student Daily Attendance, Defaulters List, PTA Meetings, Student Presentations, ICT Classrooms, a well-equipped Library Laboratory, Feedback Collection and Analysis with an Action Taken Report (ATR), and Semester End Examinations (Practical & Theory). Furthermore, the college has also organised a Vaccination Drive for students during the COVID-19 pandemic to ensure a safe learning environment.
- The college has also conducted certificate and value-added courses, as well as completed online courses in alignment with MOOCs, SWAYAM, NPTEL, and other platforms.
- The college's courses incorporate cross-cutting issues such as professional ethics, gender, human values, and environmental sustainability.
- Curriculum enrichment is considered essential for the holistic development of students. Experiential and participative learning is facilitated through project work and various curricular activities.
- The college is committed to providing quality education and continuously improves its performance through student evaluations and feedback from students, teachers, employers, and alumni.
