

Criterion7–Institutional Values and Best Practices

- Our college is dedicated in promoting Gender Equity through a range of curricular and co-curricular activities.
- The syllabus content across our programs is carefully designed based on the recommendations of committees such as DLLE, WDC, and NSS unit.
- To ensure the safety and security of our staff and students, our college campus is equipped with CCTV cameras. Additionally, we prioritize sustainability by using LED lights and implementing proper management systems for Bio Medical waste and E-waste.
- The college management has taken several initiatives, including Green Audit, Energy Audit, and environmental audits, to contribute to a greener future. We also actively engage in activities like Tree Plantation, Say NO to plastic, and paper bag making.
- We strive to create an inclusive environment that embraces cultural, linguistic, communal, and other diversities through events organized by our cultural, DLLE, and NSS departments. We also make efforts to sensitize our students and staff to their constitutional obligations.
- The prescribed code of conduct for both students and staff is prominently displayed on our College website.
- Furthermore, we celebrate national and international commemorative days, events, and festivals to foster a sense of unity and cultural appreciation.
